-
1. I run every day.
 2. I don't have a Netflix account.

How we will play the game:

Pick a person to start. Type in shared notes two things about themselves that are true and one thing that is a lie.

Everyone gets to guess which fact is the lie.

Once everyone has guessed, the person will reveal (tell us) what was true and what was the lie.

If only one person was correct, that person can go next. Or just pick the next person.
